## **A Guide to Grove Golf and Bowl Birthday Parties**

We believe health and safety is very important where children are concerned, a member of staff will talk the children through the general health and safety rules before they start bowling and basic instructions on how to bowl will be given where necessary, but we ask that there is at least one adult per lane for the duration of the party.

The children's lanes will have bumpers and also a selection of lighter bowling balls. Ramps are available for small children upon request.

### **Minimum of 8 children per party.**

48 hrs notice required for any change in number of children attending party.

### **The Birthday party lasts for approximately 2 hours.**

Please try to arrive 10-15 minutes before the party is due to start so that the children can change their shoes before they begin bowling. Please note any special dietary requirements need to be pre-booked.

A home made 8 inch personalised birthday cake service is available, please ask for further details. Alternatively Parents/Guardians are more than welcome to bring a birthday cake along with napkins and a knife to be cut and taken away.

On Fridays and Saturdays all children's party packages must commence prior to 4 pm.

Children's parties can only be booked by paying in full. A letter of confirmation will be sent out within 48hrs together with party invitations for its host to send out. Refunds at the discretion of the management.

All children are the responsibility of the attending parents or guardians.

Abusive behaviour will not be tolerated. If this does occur in any party it will be immediately terminated with the children being returned to the parents/guardians as soon as possible, refunds will not be given.
