Hello,

My name is Roger Helme, and I am the Club Welfare officer and a Director for the Grove Golf Centre, we are working with England Golf to ensure that Safeguarding accreditation is achieved at our club and to reassure the members and parents of our commitment to safe golf for every member, both in the junior golf and adult members, you will see on the notice boards (when available) and in folders in the locker rooms the policies agreed by the owners of the club.

My main aim as the Club Welfare officer is to safeguard the welfare of children at our golf club and our primary responsibility for managing and reporting concerns about children or adults at risk and for putting in place safeguard procedures, the club is committed to ensuring a safe environment linked to developing the skills and to enjoy the sport of golf, something I know is the aim of every member.

If any member has any concerns regarding safeguarding, then I am always available, and my contact details will be on the website.

Wishing you all the absolute best and please enjoy safe golf!! Please feel free to contact me if you have any issues.
